FIRST MEETING OF THE NEW HOUSE COMMITTEE ON CURRENCY

This is the committee that must handle the new-old issue of currency reform injected into politics by the recent bank panic in New York City. Fourteen of the nineteen members were present when the picture was taken. At the head of the table is Chairman Fowler. At his left, in order, are Calderhead, McMorran, Waldo, Weeks, Lewis, Glass, McHenry. At his right: Powers, Hayes, Burton, Pujo, Gillespie, Crawford. Weems, McCreary, Prince, Knowland, and James are missing.
